WHAT IS ACCREDITCON?

Not your typical EMS conference, ACCREDITCON is designed to be the comprehensive collaborative that offers every necessary resource for achieving accreditation success!

ACCREDITCON will educate CoAEMSP constituents on the CAAHEP accreditation process, provide tools for success, offer answers to pertinent questions regarding initial and continuing accreditation, and include presentations on topics having a direct connection with the accreditation process and the CAAHEP Standards.

Learn from top educators while earning up to 16 hours of CE.

WHO SHOULD ATTEND?

Program Directors, Lead Instructors, Clinical Coordinators, Medical Directors, CoAEMSP Sponsor Organizations, other Committees on Accreditation, State EMS Officials, and College Deans/Provosts.

There is something for everyone to learn who is affiliated with EMS Paramedic educational programs and accreditation.
